Our Outstanding Sport Persons

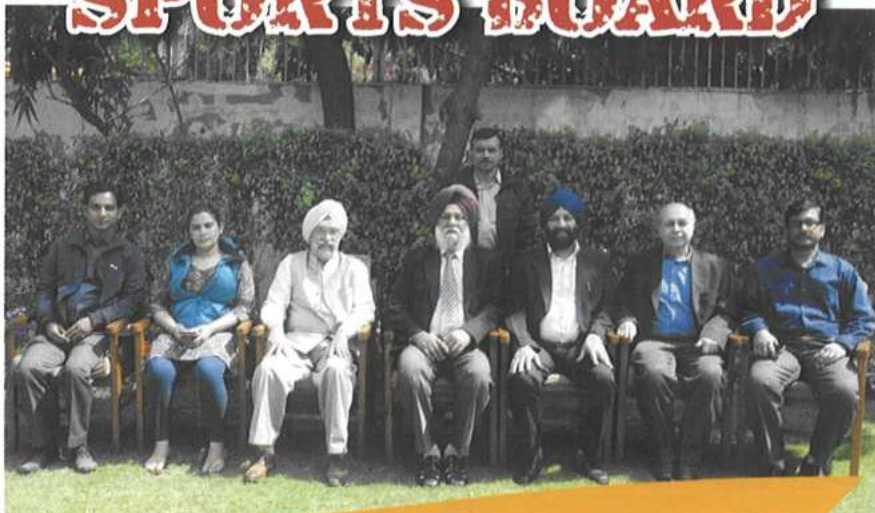

Divya Adhakha, a 21-year-old M.Com student of our college excels in archery and hopes to become an established international archer in the near future. She developed her archery skills as an undergraduate student at Hansraj College. Dedicated, disciplined and diligent, Divya shunned the social life of a typical teenager and remained focused on her aim of becoming an international archer. Excellent time-management is her forte. Since joining Khalsa College she has learnt a lot about group practice which gave her a taste of actual tournament pressure.

Her accolades are as follows:

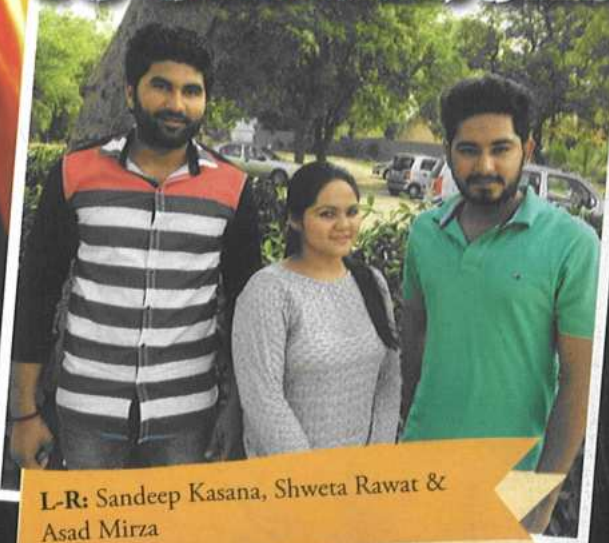

- All-India inter-university competition- BRONZE (first-year graduation)
- Inter-College competition- FIRST (second-year graduation)
- Since 2013, she has scored the FIRST rank in Delhi
- Junior Nationals - BRONZE medal in 2015
- Senior Nationals - 64th rank in 2012, 40th rank in 2013 and 2014, and 14th rank in 2015.
- Qualified for World University Games in 2015 and 2016.
 - Participated in NRAT (National Ranking Archery Tournament)
 - Won a SILVER medal in Delhi Olympics which was organised by the government of Delhi after ten years.
