SRI GURU TEGH BAHADUR KHALSA COLLEGE

Sri Guru Tegh Bahadur Khalsa College, established in the year 1951 by Delhi Sikh Gurudwara Management Committee, is a constituent College of University of Delhi. It endeavours to indoctrinate the ideals of self-sacrifice and service among the youth. It is named after the ninth Guru, who laid down his life to uphold freedom of belief and conscience and whose sacrifice and martyrdom for secular values are unique in the annals of history. The College had a modest beginning and functioned from the building of Sri Tegh Bahadur Khalsa School at Dev Nagar (Karol Bagh) and in 1973, it shifted to its present premises in the North Campus. The College has evolved into a prestigious institution with a magnificent infrastructure. Our enviable Sant Longowal sports complex, excellent playgrounds, well-equipped Mata Gujri library, well-maintained laboratories and technologically upgraded computer centres, state-of-the-art Auditorium and Seminar Hall, are a matter of pride. The centre for e-learning has been set up by the UG for the development of the digital content for post graduate teaching. Apart from being a centre of excellence in higher education in Arts, Commerce, Social Sciences, Physical Sciences and Biological Sciences, the institution takes pride in promoting Punjabi language and culture. The college has Mata Gujri Girls' Hostel to provide accommodation to 150 students.

President's Message

S. Manjit Singh, G.K.

Delhi Sikh Gurudwara Management
Committee and
Shiromani Akali Dal (Delhi State)

Sri Guru Tegh Bahadur Khalsa College has been named after the Ninth Guru, Sri Guru Tegh Bahadur Sahib, whose martyrdom for the cause of secularism and principles of compassion provides the guiding spirit for the institution. The College was established to propagate and instil the great Guru's cherished ideals of service and self-sacrifice among the youth with the motto 'March Forward'. The college began in July 1951 in Dev Nagar, with admissions to under-graduate courses in a few disciplines. College archives reveal that our first batch of students appeared in the University of Delhi examinations in 1952. The college moved to its present premises in the University of Delhi campus in 1974.

Through the passing years, our academic results have been reasonably competitive and impressive both in academics and sports. The college has a distinguished teaching staff of over 162 members. Most of our teachers have either completed their PhD or MPhil programmes. There are specialized laboratories like the Ciliate Biology Laboratory and the High Power Physics lab, set up in collaboration with the Department of Science and Technology. We have also established a Centre for e-Learning in the College premises, which is being used extensively and widely appreciated. Our students have been securing first or second positions in the University examinations. At present our college offers 18 different academic courses. The college has on its rolls about 3,300 students from all over the country and abroad. Our motto has always been to serve humanity with humility and dedication. Delhi Sikh Gurudwara Management Committee wants to ensure that talented students from a lesser privileged background also get similar opportunities to get educated and improve their skills. Over the years Khalsa College has helped students from these sections of society.

The Delhi Sikh Gurudwara Management Committee will help the college in maintaining and improving its sports and academic infrastructure to ensure that our students imbibe a proper value based culture so that they emerge as responsible citizens of our nation.

General Secretary's Message

S. Manjinder Singh Sirsa

General Secretary
DSGMC

Sri Guru Tegh Bahadur Khalsa College was established in 1951 and is maintained by the apex body of the Sikhs, the Delhi Sikh Gurdwara Management Committee, Delhi, a statutory body created under an act of Parliament. The main purpose for establishing the College was to ensure a comprehensive, social, political and economic transformation through access to the quality education to the masses.

The college has for decades attracted talented students who have made valuable contribution to the civil society in academics and sports. I too am proud to be an alumnus of this institute and be associated with it.

Our constant endeavor is to create an ambience in the campus propitious for academic, physical, spiritual and moral development of the students. Strict discipline is maintained within the campus.

I can proudly say that the college doesn't just produce graduates, but our students graduate with knowledge and values.

I wish all the aspiring students best of luck, and hope their stay in this institute is as rewarding for them as for the college.

Chairman's Message

S. Tarlochan Singh

Former Member of Parliament (Rajya Sabha)

Former Chairman, National Minorities Commission of India

Sri Guru Tegh Bahadur Khalsa College endeavours to promote the message of service and sacrifice with humility propounded by the Great Gurus. In a world torn by internecine strife, Sri Guru Tegh Bhadur's message of freedom of worship can become a guiding principle to restore peace and harmony amongst warring nations and communities.

Sri Guru Tegh Bahadur Khalsa College started in July 1951, with admissions to under-graduate courses in Economics, History, Mathematics , Political Science and preparatory courses. The pre-medical stream was introduced from the next session. Archives reveal that our first batch of students appeared in the University of Delhi examinations, in 1952.

In the initial year, we began with 49 students and a faculty of six teachers. Today the college has on its roll about 3100 students from all over India as well as other countries. Full credit goes to the distinguished office-bearers and members of the Delhi Sikh Gurudwara Management Committee, for rapidly improving the infrastructure and facilities at SGTB Khalsa College.

I extend my best wishes to the students seeking admission to this college.

Principal's Message

Dr. Jaswinder Singh

Principal
SGTB Khalsa College

Sri Guru Tegh Bahadur Khalsa College, a constituent college of the University of Delhi, in its sixty-four years of existence has emerged as one of the leading institutions of higher learning with eighteen Undergraduate programmes and twelve Masters programmes in sciences, social sciences and humanities. Manas ki Jaat Sabhai Eke Pehchanbo (All Human Races are one) has been the guiding principle of our College. Over these years, it has served the underprivileged and minority communities by transforming the students of these sections into informed and vibrant individuals through education.

The college has always maintained an excellent amalgamation of modernity and tradition. To meet the contemporary requirements, the College has been able to provide education in professional courses in Electronics, Business Economics and Forensic Science. In keeping with the needs of the day and age, the college has also evolved a 'Centre for E-Learning' with an aim to generate high quality, multimedia enriched e-learning solutions for enhancing the quality of education. The college library has also been upgraded to accommodate a more comfortable reading space for students and teachers alike with computers and WiFi services at their disposal for research purposes. In the present globalized environment, our students are also trained in various languages through certificate courses in German, Russian, Spanish, Chinese, Korean, French and Japanese.

The College runs many innovative research projects, awarded by the University of Delhi, UGC, and the Department of Science and Technology. Many teachers are assisting students in their doctorate research. These teachers have now extended their work and included undergraduate students in their research, enabling them to learn and become part of the research publications. To enhance their knowledge and employability, students are encouraged to take up assignments and training in the corporate sector and in the universities in India and abroad during the vacations.

Organization of national and International seminars, conferences, professional development programmes for the teachers and students is an integral part of the academics. The dedicated teaching and non-teaching staff of the College overwhelmingly participates in the entire process.

Many of our students are leading scientists, teachers, civil servants, outstanding sports persons and business professionals contributing significantly in the nation building.

Our parent body Delhi Sikh Gurudwara Management Committee has always provided us the guidance and financial support in the infrastructure development and academic programmes of the college.

I wish all the aspirants the best of luck, and all those who will be successful in securing admission a happy and rewarding stay in the College.

COLLEGE INFRASTRUCTURE

LIBRARY

The Mata Gujri library, is operating an automated browsing catalogue. With OPAC in the library it is easy to access and classify the books. The library has gate security check system with 16 CCTV cameras installed to monitor. Around 2000 books of various subjects are added annually. Library is equipped with a new fully air conditioned reading room which can accommodate 200 students operational along with a new magazine and periodicals section.

Fully computerized, with lift facility it is the first such library in the entire University. New computerized ID cum Library tickets for students and staff and a Braille book-section for visually impaired students are the USP of the facility.

The College library currently has more than 1,30,000 books. More than 15,000 invaluable manuscripts and other materials on History, Religion and Politics adorn its shelves. The library caters to the needs of not only the 3000 students of the college but also to many research scholars and academicians from the University of Delhi and outside. Library has started subscribing some of the new journals/Magazines, *Current Science*, *Indian literature Alochana* and *Aajkal* are some of them. The Annual General Budget of the Library is approx. Rs. 18,10,000. College provides access to Internet in the Library Reading Room for the students and the staff during college hours. 16 CCTV cameras along with control system have been installed in the library to monitor the activities of students, to maintain the discipline.

The Library Membership is also open to Indian and Foreign Research students who are interested in ancient manuscripts, rare books, magazines and other valuable material available in the library. The Students Aid Fund Section books are issued at the starting of the academic session and students are permitted to retain these books for the full session. The library has a separate section of 8,000 classics and other reference books on Sikh studies. The library preserves all the editions of the college magazine "THE TEGH" with the first edition published in 1953. Library is ICT friendly as per International Library Standards and Specifications. The Acquisition as well as circulation process is fully automated. The Retro-Conversion of Library books is under process. Bar Coding and pasting of Labels of Library books is complete. The OPAC (Online Public Access Catalogue) facility was introduced in September 2007. The students and staff have utilized this facility for easy access of the books. Apart from print journals library has started subscribing N-LIST (National Library and Information Services Infrastructure for Scholarly Contents) program of INFLIBNET.

SPORTS

The College is known for excellence in sports; and on many occasions, our students have participated in international competitions. The College has a spacious playground for Hockey, Cricket, Football, Kho-Kho, Basket-ball, Tennis, Volley-ball, Swimming, Soft-ball, Archery, Shooting, Baseball, Hand-ball and Wrestling. Adequate facilities for indoor games like Table Tennis, Carrom, Chess and mini Gymnasium are also available.

Hockey Team – III in Inter College Championship

A magnificent sports complex named after Sant Harchand Singh Longowal has state of art gymnasium. The students can undergo physical fitness training under skilled supervision of professional trainers. Complex also includes a squash court, three table tennis rooms, and changing rooms for players. There is also a decoratively built seminar room providing infrastructure for workshops, seminars and related activities.

The Lawn Tennis complex has two flood-lit, synthetic surface courts. Excellent facilities for coaching are available to the students in the complex.

CLASSROOMS

College has about 50 classrooms, of which 15 are air- conditioned. 36 classrooms have been equipped with projection system as well as access to internet and OERs.

LABORATORIES

College has well equipped spacious laboratories for the science streams for smooth conduction of practicals. Labs are continuously upgraded with modern equipments with annual purchase of instruments, while existing equipments are maintained in good condition as well. There are total of twenty four laboratories; five each in department of Physics, Botany and Zoology, while Computer science has four, Chemistry has three and Electronics Department has two labs.

INTERNET ACCESS

Entire college campus is wi-fi enabled. Students can freely access internet and OERs. Additionally, college has computer labs and a reading room facility in library which have internet connectivity.

GIRLS' HOSTEL

To cater to the needs of outstation girl students, Sri Guru Tegh Bahadur Khalsa College has a hostel, Mata Gujri Hostel, started from the session 2012-13. The hostel primarily meant for undergraduate girl students of the College, is located within the college campus, and has 49 rooms to accommodate 147 students.

The Hostel is named after the first Sikh Martyr lady in the history, Mata Gujri ji.

She was the wife of Sri Guru Tegh Bahadurji, the Ninth Guru, mother of a brave saint-soldier (Sri Guru Gobind Singhji,) grandmother of four Sahibzadas (Ajit Singh, Jujhar Singh, Zorawar Singh, and Fateh Singh), who all attained martyrdom at the age of 18, 14, 9 and 6 years

COLLEGE MAGAZINE

College magazine, '**Tegh**', publishes articles by the students and staff and reviews educational, cultural, and social, and sports activities of the College. Each of the three sections viz. English, Hindi, and Punjabi of the Magazine is edited by a student editor under the supervision of teachers.

Other than the "Tegh", the various departments of the College also publish their own magazines covering and emphasising events of the respective departments. The Economics and B.A. (Hons.) Business Economics (BBE) magazines have always been appreciated for their quality.

AUDITORIUM

Master Tara Singh Ji

A multipurpose, state-of-the-art Auditorium named after the eminent Sikh leader Master Tara Singh, constructed by Delhi Sikh Gurdwara Management Committee is the hub of academic and cultural activities in University of Delhi. The fully air-conditioned auditorium is equipped with latest facilities. With a capacity of 600, the auditorium has witnessed many cultural and academic activities.

The college now has Guru Arjan Dev Seminar Hall with a capacity of 125 to accommodate a smaller audience for academic seminars and discussions.

COLLEGE CANTEEN

The College has spacious fully furnished Canteen where quality and healthy eatables are served at affordable prices. Students are advised to maintain discipline and give suggestions for further improvement of the services. The college canteen has been upgraded and serves best menu to our students. Non-payment of legitimate dues or disorderly conduct in the Canteen would invite disciplinary action.

CAFE COFFEE DAY EXPRESS

Café Coffee Day has opened an in house stall in the college adjacent to staff parking, where students can have gourmet food and drinks at subsidised rates.

BANK

The College has on its premises a branch of the Punjab and Sind Bank. The students will deposit fee and other dues with the bank on prescribed admission slips, which will be issued by the college for the purpose.

FACULTY

The college is proud of its distinguished teaching faculty. They have proved their devotion to work in more ways than one. Many of them have made noteworthy contributions in journals of National and International repute. Teaching faculty of the college has played a singular role in earning a prestigious position for the College in the University of Delhi.

ADMISSION SCHEDULE FOR THE ACADEMIC YEAR 2016-2017

Activity	Date	Time [#]
Online Registration	Wednesday, 01 June, 2016 to Wednesday, 22nd June, 2016	Upto 5 PM
Notification of First admission List by the Colleges	Thursday, 30 June, 2016	9 AM
Document verification and Approval of Admission	Thursday, 30 June to Saturday, 02 July, 2016	Upto 1 PM
Notification of Second Admission List by the Colleges	Tuesday, 05 July, 2016	9 AM
Document verification and Approval of Admission	Tuesday 05, July to Friday, 08 July, 2016	Upto 1 PM
Notification of Third Admission List by the Colleges	Monday, 11 July, 2016	9 AM
Document verification and Approval of Admission	Monday, 11 July to Wednesday, 13 July, 2016	Upto 1 PM
Notification of Fourth Admission List by the Colleges (if any)	Friday, 15 July, 2016	9 AM
Document verification and Approval of Admission	Friday, 15 July to Monday, 18 July 2016	Upto 1 PM
Notification of Fifth Admission List by the Colleges (if any)	Wednesday, 20 July, 2016	9 AM
Document verification and Approval of Admission	Wednesday, 20, July to Friday, 22, July, 2016	Upto 1PM

Time given in the Table is for the verification of the documents and approval of admission in the colleges. Once the college approves admission, the candidate is permitted to make online admission fee payment till 12 noon of the next day of the given admission list deadline.

** The online registration and registration fee payment shall continue till 06:00 PM of 22nd June 2016. However, those applicants who have confirmed their online registration at the UG admission portal till 06:00 PM of 22nd June 2016 shall be permitted to submit online registration fee till 12 noon of 23rd June, 2016. After fifth cutoff list, if seats remain vacant college will invite application for filling the same.

LIST OF ACADEMIC SUBJECTS

The following Discipline subjects must be treated as Academic/ Elective subjects for the purpose of undergraduate admissions. All other subjects offered by different boards may be treated as non-elective.

All the Discipline subjects must have at least a 70% component of theory exams (theory exam does not include internal assessment/continuous evaluation etc.) in the qualifying exam for the purpose of being treated as academic/elective subject.

Arabic	French	Legal Studies	Punjabi
Bengali	Geography	Mathematics	Sanskrit
Botany	Geology	Music	Sociology
Chemistry	German	Persian	Spanish
Commerce*	Hindi	Philosophy	Statistics
Computer Science	History	Physics	Urdu
Economics	Home Science	Political Science	Zoology
English	Italian	Psychology	

- Accountancy/ Business Studies/ Commerce shall be treated at par with academic/ elective subjects.
- Biology/ Biotechnology and Business Studies will be treated as academic/ elective subjects.
- Mass Media Studies will be treated as an academic subject for the purpose of admission to B.A. (H) Journalism (Hindi/ English).
- Admission to B.A. (Hons.) Hindi Patrakarita and B.A. (Hons.) Journalism will be based on 'Best Four' percentage as in B.A. (Hons.) Hindi and B.A. (Hons.) English, respectively.
- In case a candidate has studied both elective and core in a language, then core language subject will be treated as language, while elective language can be considered as academic/ elective subject.
- Admission to B.A. (Hons.) Applied Psychology will be based on 'Best Four' percentage as in B.A. (Hons.) Psychology.
- Admission to B.A. (Hons.) Social Work and B.A. (Hons.) Philosophy will be based on 'Best Four' percentage including one language and three academic/elective subjects as per the above procedure.
- The subject 'Informatics Practices' will be equivalent to Computer Science for admission to B.Sc. (Hons.) Computer Science only.
- The candidates must have studied and passed Mathematics at the qualifying exam for admission to B.A.(Honours) in Economics and Commerce.
- Business Mathematics will be treated as equivalent to Mathematics for admission to B.Com (H)/ B.Com only.
- (a) For admission to Honours in any language course, advantage of 2% in the Best Four percentage may be given to those candidates who have studied that particular elective language.**

(b) In case, a candidate has not studied a language at qualifying exam and is seeking admission to Honours in that language (except for Honours in English and Hindi, refer ©), deduction of 5% will be imposed on 'Best Four' percentage.

(c) For admission to Honours in English and Hindi, the candidate must have studied and passed the respective language in the qualifying exam and should include respective language for calculation of 'Best Four' percentage.
- University may define any other relevant subjects as an academic/ elective for a particular Honours course.

ELIGIBILITY REQUIREMENTS FOR ADMISSION

Eligibility rules are determined by the University of Delhi. Applicants are advised to consult the guidelines for admission available on the University of Delhi website for admission in the Three Year Undergraduate Programme for year 2016-17. Some important informations are reproduced below in the table.

Admission to the undergraduate courses at this college shall be determined on the basis of percentage of marks secured in the subject combination at 10+2 level as indicated below against each course.

Course to which Admission is sought	Basis for admission as per marks secured in the Subject or Subject combination at 10+2 level.
Humanities/ Arts	
English	English (Elective, Core or Functional) and best three elective subjects
Hindi	Hindi and best three elective subjects
Punjabi	Punjabi and best three elective subjects
Economics	English and best three elective subjects, but must have studied and passed Mathematics in qualifying examination
History	One language and best three elective subjects
Political Science	One language and best three elective subjects
BA (Programme)	One language and best three elective subjects
Commerce	
Commerce	English + best three elective but must have studied and passed Mathematics in qualifying examination
B.Com (Programme)	English + best three elective
Science	
Botany	Physics + Chemistry + Biology/Biotechnology with minimum 50% in English
Chemistry	Physics + Chemistry + Mathematics
Mathematics	Mathematics + English + best two elective subjects
Physics	Physics + Chemistry + Mathematics
Zoology	Physics + Chemistry + Biology/Biotechnology
Electronics	Physics + Chemistry + Mathematics
B.Sc Physical Science	Physics + Chemistry/ Computer Science + Mathematics

Read carefully the procedure of **Academic Subjects and Procedure for Calculating Best of Four Percentage (For courses wherein admission is done on the basis of Best of Four)**.

The College guarantees the Right to information as provided in the Constitution of India. Application can be made to the Public Information Officer on a plain paper with fee of Rs. 10/-.

Academic Subjects and Procedure for Calculating Best of Four Percentage (For courses wherein admission is done on the basis of Best of Four)

Procedure for calculation of ‘Best Four’ subjects percentage for Honours Courses (For admission to Arts/ Humanities Courses):

- a. One Language (Core/ Elective/ Functional)
- b. The subject in which admission is sought (If a candidate does not include the concerned subject whether studied or not, in ‘Best Four’ in which he/she is seeking admission in the Honours course, then a deduction of 2.5% will be imposed on the calculated ‘Best Four’ percentage). For Honours in languages merit shall be determined on basis of one language and three best elective subjects mentioned in List of Academic subjects.
- c. Any two other academic/ elective subjects as per List of Academic subjects. Note:
 - i. If a candidate doesn’t include the subjects given in List of Academic subjects in ‘Best Four’, then a deduction of 2.5% of maximum marks will be levied for each subject for the purpose of calculating ‘Best Four’.
 - ii. All subjects to be included in the calculation of ‘Best Four’ must have at least 70% theory component of exam. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of ‘Best Four’.

Procedure for calculation of ‘Best Four’ subjects percentage for B.A (Prog.) /B.Com(Prog.):

- a. One Language (Core/Elective/Functional)
- b. Any three elective subjects can be chosen. A deduction of upto 5% on ‘Best Four’ percentage may be imposed if there is a change of stream.
- c. One non-listed (List of Academic subjects) subject can be included in calculation of ‘Best Four’ without any deduction.
- d. For admission to B.A. (Vocational) only, related vocational subjects may be treated at par with academic/elective subjects and up to two vocational subjects which are in relationship with the course of study may be included for the calculation of ‘Best Four’.
- e. If a candidate opts for MIL (Except Hindi) as a subject, an advantage of up to 10% may be given in ‘Best Four’ in those colleges where MIL is offered as a subject.

Admission to Science Courses

The Basis of Selection for Mathematical Sciences/Science courses is listed in **Section 5.3** (page-18) for Science courses in course wise requirements published in UG information bulletin- 2016 by University of Delhi. All the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% theory component of exam. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only must be converted to 70% and 30% , respectively on pro rata basis. These new marks will then be considered for calculation of PCM/PCB etc.

GENERAL RULES FOR ADMISSION UNDERGRADUATE COURSES

1. Medium of instruction in the College for all courses is English except for the Modern Indian Language (MIL) courses and B.A. (Hons.) Hindi and B.A. (Hons.) Punjabi.
2. All undergraduate courses are of three years' duration.
3. Only such students who have passed SSC (Senior School Certificate Examination), 10+2 of the CBSE (Central Board of Secondary Examination), New Delhi or an examination recognized as equivalent to it, with English Core or English Elective as a compulsory subject and English as medium of instruction shall be admitted to the undergraduate courses.
4. An optional subject/paper which attracts less than 15 students will not be entertained.
5. Every admission is provisional and subject to confirmation by the University of Delhi.

Guardianship: Students hailing from outside Delhi; Parents of students from outside Delhi (including foreign students) should inform the College in writing the name of the local guardian and submit his/her photograph at the time of admission. In case of a change in the guardian, parents are advised to inform the College immediately.

Foreign Students: Foreign students are required to apply for admission through the Advisor, Foreign Students, University of Delhi. The Ministry of Human Resource Development (Dept. of Education) Govt. of India, have notified that all foreign students being admitted to the Indian Universities, should produce a medical fitness certificate or undergo medical examination within a month of their taking admission and that these students will initially be admitted provisionally and their admission will be confirmed only on production of valid medical fitness certificate within the stipulated period.

STUDENTS OF THE FOLLOWING CATEGORIES ARE NOT ADMITTED TO THE COLLEGE:

- who have not written their Sr. Secondary or equivalent examination in English;
- who have failed to take University Examination for any reason including shortage of attendance;
- who have failed in the University Examination or whose results were withheld on account of use of unfair means.

POSTGRADUATE COURSES

- A few seats at the postgraduate level are available in subjects offered by the College. These admissions are processed on the basis of admission slips issued by the Department of the relevant subject in the University of Delhi. College gives preference to those students who have completed graduation from the college.

Three seats for teaching and non-teaching staff of the other colleges and departments of University of Delhi will be allocated depending upon the availability of seats and merit of students. Normally admission will not be given to a ward of staff of other college if that subject is taught in his/her own college.

FEE DETAILS (In Rupees)

Payment of Dues: Applicants selected for admission will be required to deposit the prescribed fee in cash in the College Bank through specific admission slips, which will be issued by the College for depositing fee.

A small amount will be charged from the students leaving the College before the last date of admission as per the UGC and University of Delhi guidelines and notifications.

The above fee would be payable in two installments. First installment of Rs. 10,000 plus examination fee (as prescribed by the University) would be payable at the time of admission. The second installment of balance amount plus examination fee (as prescribed by the University) would be payable in first fortnight of January.

DIPLOMA & CERTIFICATE COURSES IN FOREIGN LANGUAGES

With globalisation many foreign companies are making India as their manufacturing stations as well as destinations for a variety of services particularly in finance, software, consultancy and trading, in addition to the already time-tested areas of tourism and hospitality industries. An increasing number of career-conscious students and professionals are combining their undergraduate studies or job to acquire a reasonable degree of proficiency in at least one foreign language in order to ensure a competitive edge over simple graduates in the job market.

SGTB Khalsa College, University of Delhi offers certificate courses in 7 foreign languages and Diploma in 2 languages with certification from University of Delhi. Certificate courses in German and Spanish have been running successfully since 2008 under the Germanic & Romance Studies Department, University of Delhi. Certificate courses in Chinese, Korean and Japanese are being conducted since 2012 under the guidance of Department of East Asian Studies, University of Delhi. Certificate course in Russian is conducted under the guidance of Department of Slavonic & Finno-Ugrian Studies. Certificate course in French has been introduced from the session 2013-14, along with Diploma in German and Spanish.

The duration for all the certificate courses is one year. Students are trained to effectively write, speak and express in the respective language of their choice. In addition to the prescribed text books, a lot of emphasis is given on listening and understanding nuances of the language. Our faculty adopts the modern and most updated communicative approach to teach these languages. Students are exposed to these foreign languages through music, song, dance, films so that students can enjoy while learning these languages. Through class presentations, students practice communication.
