

The *Tegh* 2024-25 is a special tribute to the life and legacy of Guru Tegh Bahadur Ji, commemorating 350 years since his supreme sacrifice in November 2025. More than a remembrance, this issue stands as a powerful homage to his unswerving faith, defiance against injustice, and enduring message of truth and freedom. Enriching this commemorative spirit, the magazine features a soulful Bani recitation of Salok Mahalla 9 by the college students, accessible via QR code—offering readers an immersive spiritual experience. Hand-painted murals further bring the themes to life, adding depth and cultural vibrance to the edition.

The magazine also proudly documents the promotions of faculty members, honoring their academic journeys. Rooted in legacy, this edition invites readers to engage and reflect on a history of strength and justice.
