Public Information Officer,

University of Delhi, North Campus,

Subject : Information sought under the Right to Information Act, 2005 regarding irregularity in the selection of students for admission on the basis of Sports in UNDER GRADUATGE COURSES.

Sir,

This is with reference to the reply received from the Public Information Officer, Sri Guru Tegh Bahadur Khalsa College, University of Delhi (copy enclosed) on the above cited subject. This is in reply to my RTI Application dated 28.6.2013 and Appeal made thereafter dated 26.10.2013 (copies enclosed). I am not satisfied with the reply sent to me with regard to my application for information sought by me under RTI Act – 2005.

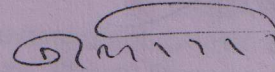

My son had duly passed the sport test. My son was much superior than the other boys who took part in the sport events along with my son. I am confident that my son is much superior than those given admission by the College. Hence I had demanded contest in sports of my son with those given admission. The reply given by the College is silent about this aspect. I am sure that the report of the Admission Committee is mala-fide.

I request the Hon'ble Commission to kindly have the matter considered by the competent authority and have the correct information provided to me.

Thanking you,

Yours faithfully,

Subject :- Irregularity in the selection of students for admission on the basis of Sports in UNDER GRADUATE COURSES.

Hon'ble Sir,

My son, Mr. Abhishek Tyagi, was invited by Sri Guru Teghbahadur Khalsa College to appear in a Fitness Test. A photocopy of the invitation letter is enclosed for reference. He was asked to take part in 2 events namely (1) Standing Broad Jump and (2) 50 Mts. Dash. He had cleared both these events. Today was the date for trial in Hand Ball event on the basis of which selection was to be made for admission in Under Graduate Courses. Trial was at 9 O'Clock. The Coach, who was competent to take the trial came after 4 O'Clock. The formality was completed before the arrival of the Coach. It was just a formality and selection was made without any merit. The trial was taken by some students just for eye wash. It was quite clear the selection was made even before the trial took place. It was in most unfair manner. The students selected cannot stand in competition with my son. It can be proved if proper competition is carried out of the selected students with my son.

The way the proceedings have been carried out are most unfair. This discourages the deserving students. Hence I request your Honour to kindly direct the concerned authorities to declare the selection null and void and follow the right procedure for the selection of students for admission to the Under Graduate Courses.

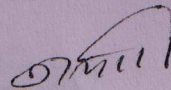

Thanking you,
And best regards,

Encl.: One

Yours faithfully,
